

For the Northern Hemisphere: this wheel moves in a clockwise direction

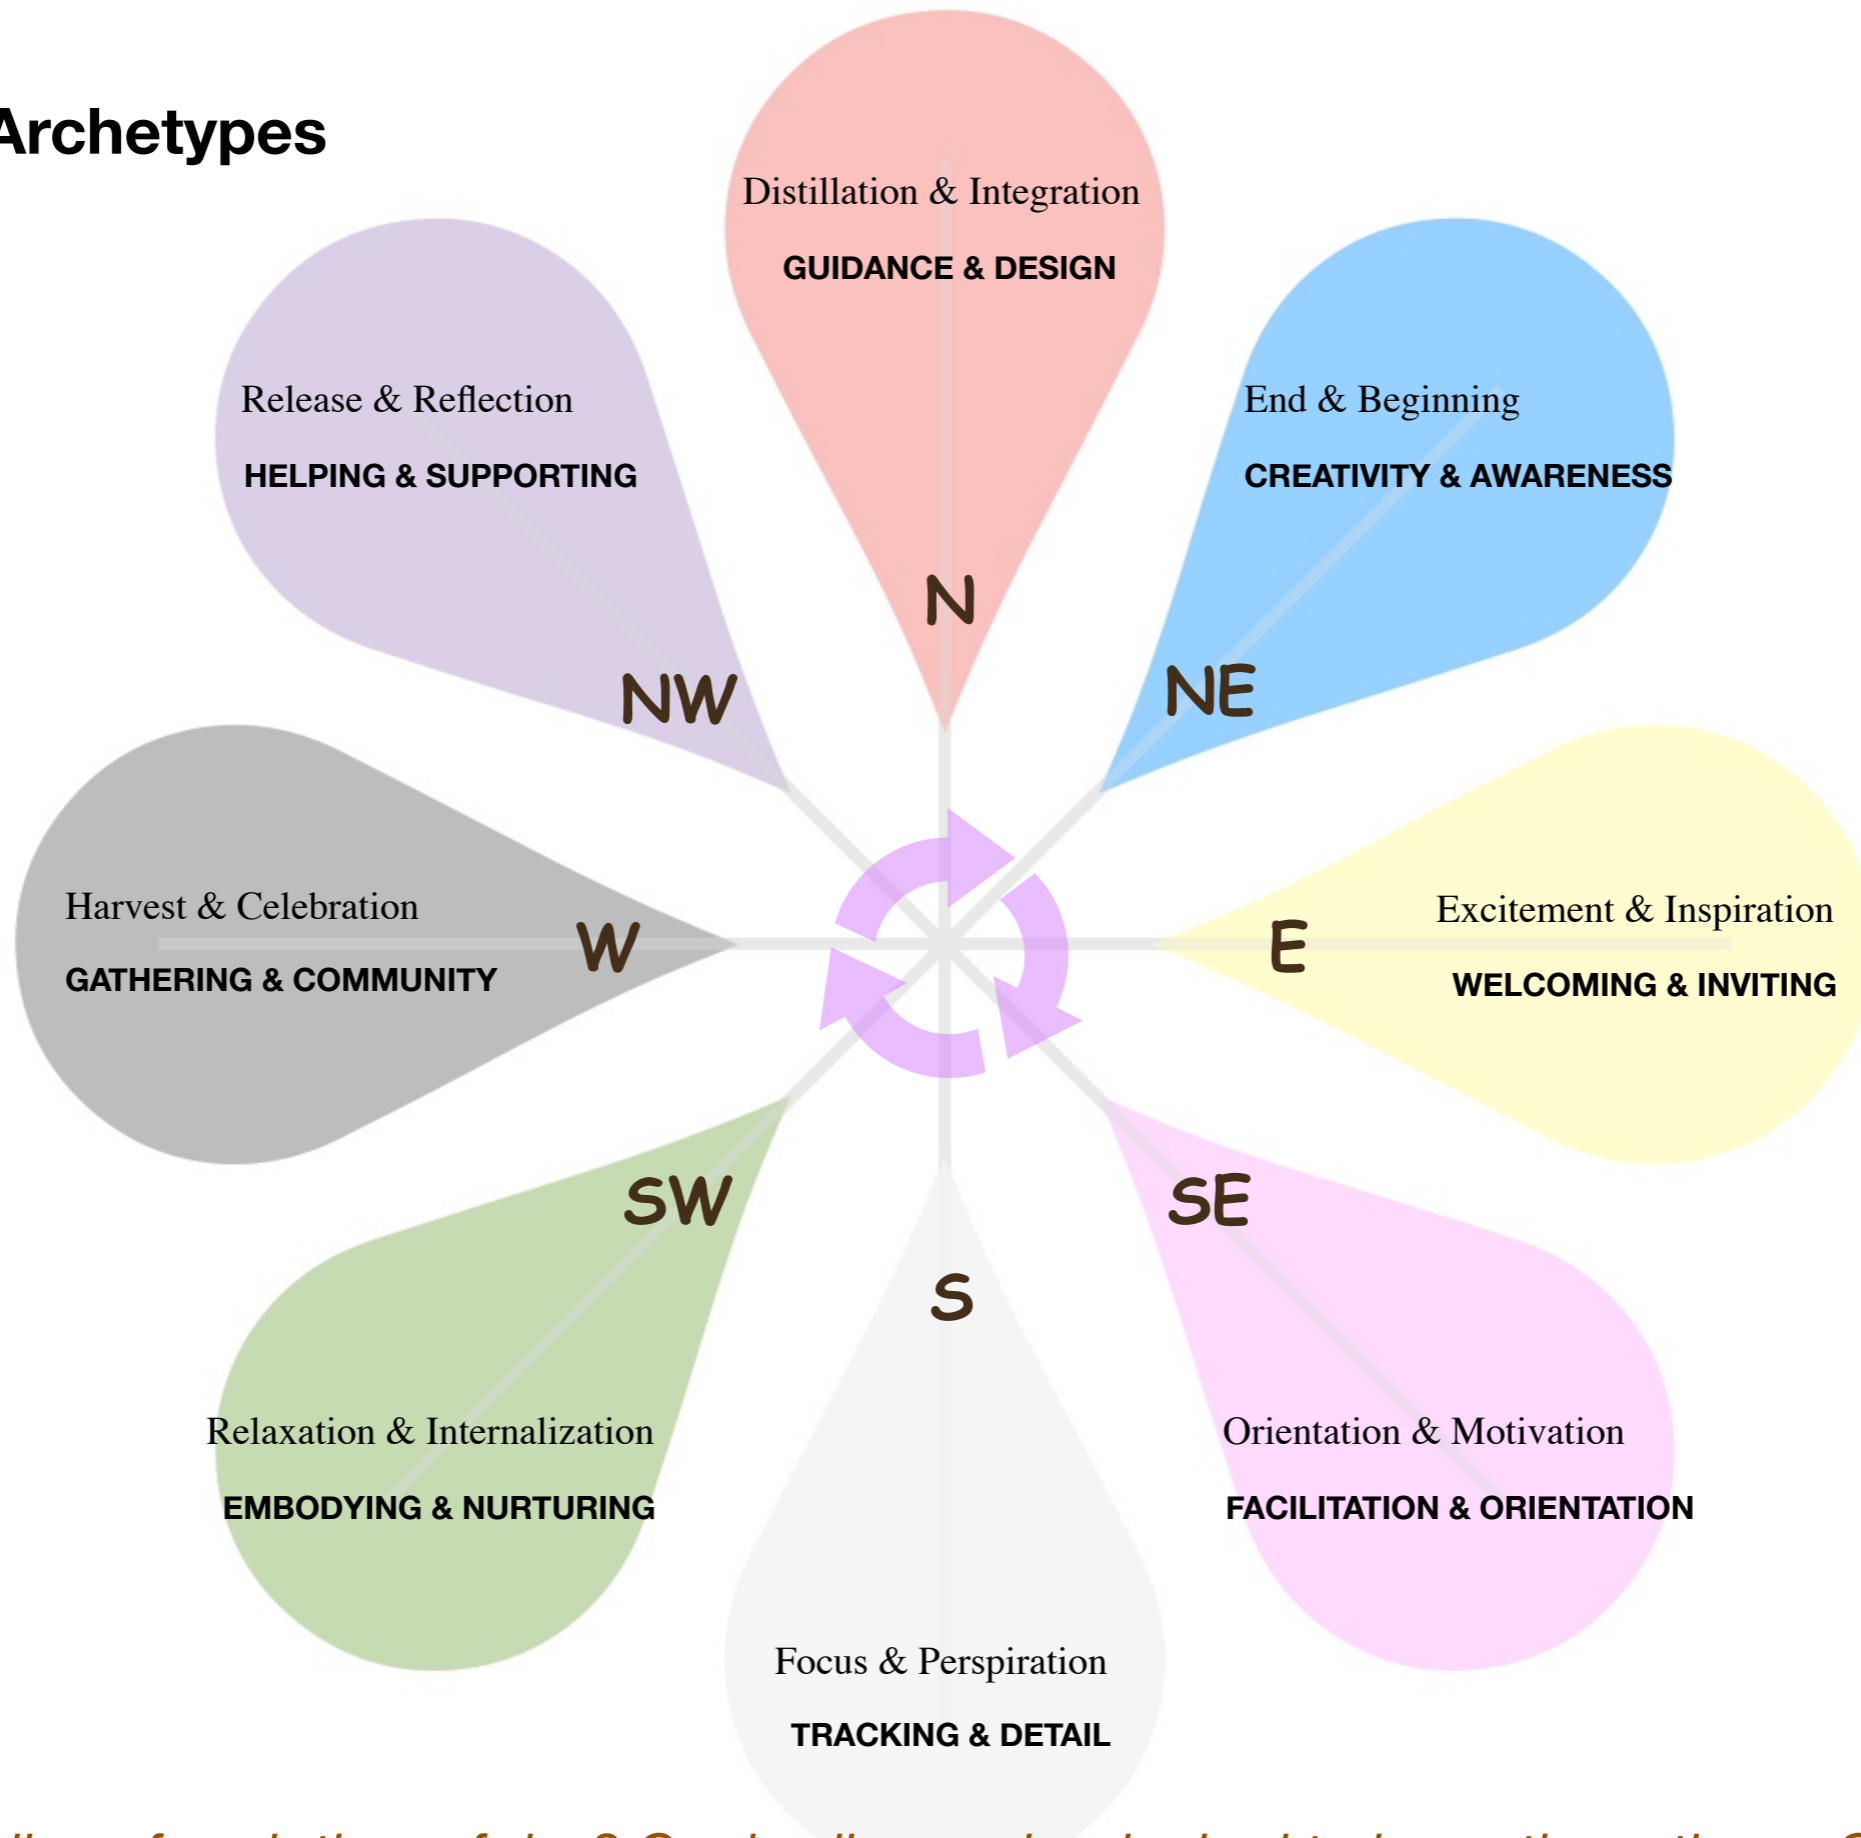

8 Shields: Attributes of Connection

Helping others live with the benefits of connection is the core vision and mission of the 8 Shields organization. The 8 attributes are the metric that help us know we are succeeding.

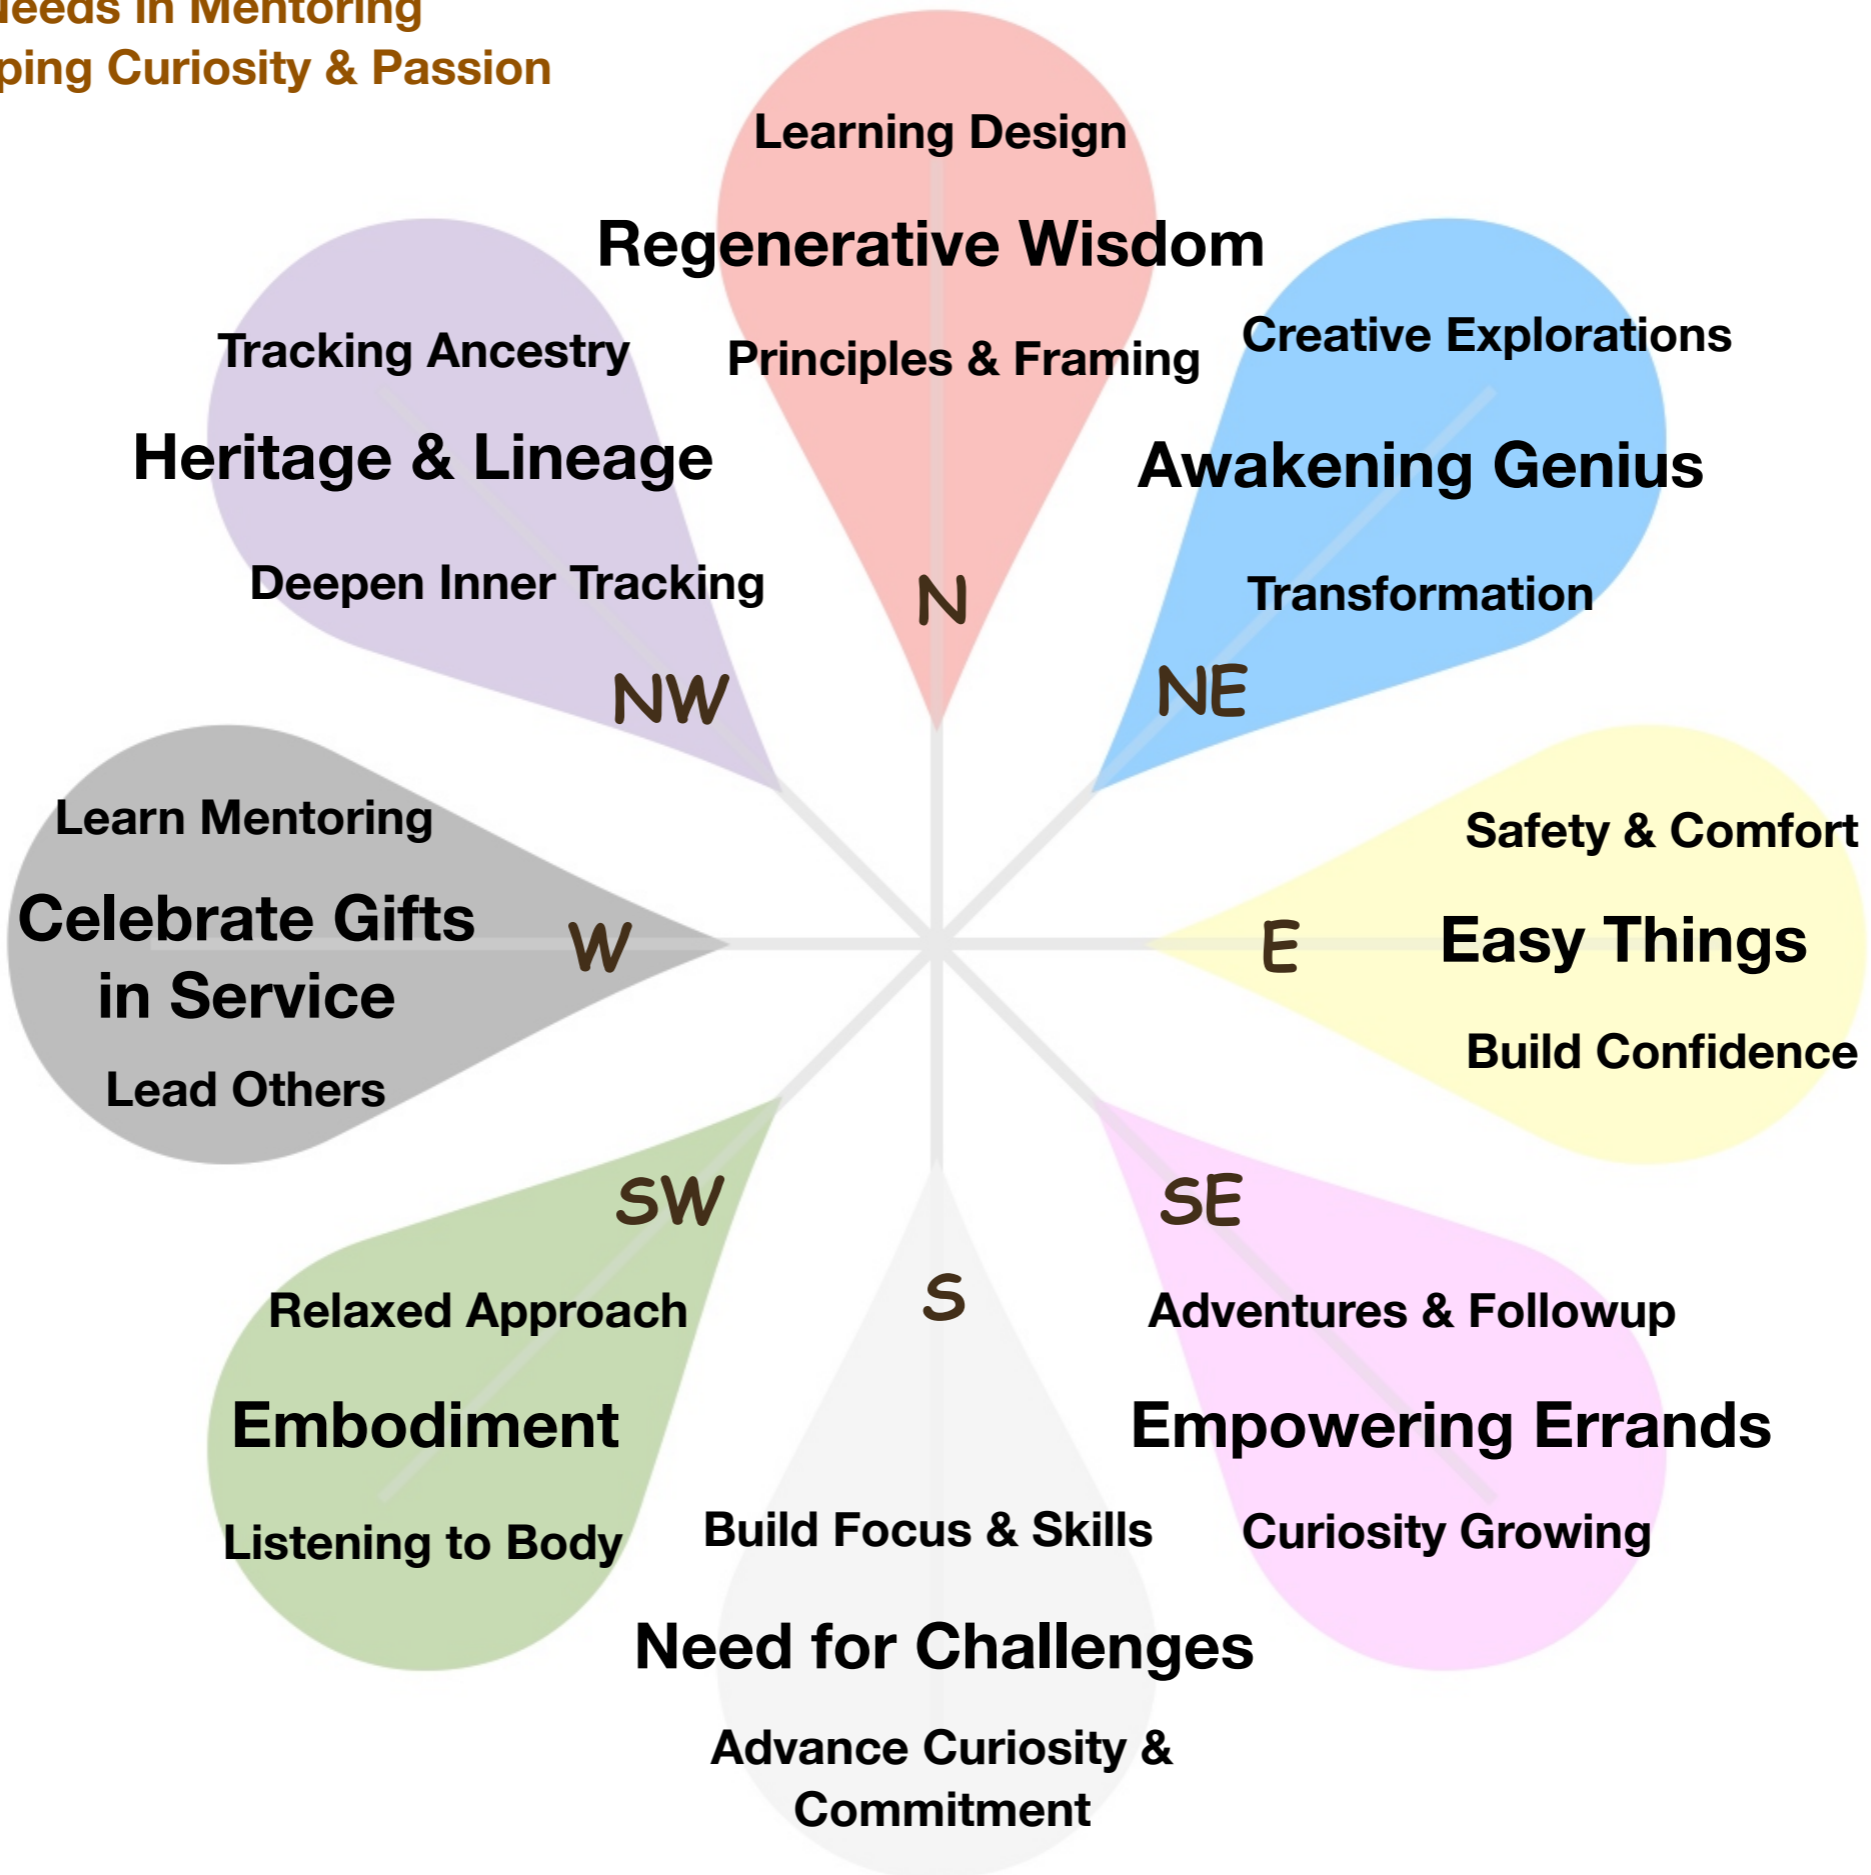

For the Northern Hemisphere: this wheel moves in a clockwise direction

8 Shields: Archetypes

What is the feeling of each time of day? Our bodies are hard-wired to know these times. Our nervous system is synchronized with these expectations of flow.

Changing Needs in Mentoring
Watching Developing Curiosity & Passion

Connection Routines in Groups & Small Groups

Using the protocol in group

Telling a story

Sending people out with a specific objective (loose) & question

50:50 Principle

Out & back

Into small groups or buddy shares & questioning (everyone learns this) Curiosity

Harvest in big group

Questioning modeled in bigger group

Review the principles revealed & maybe a keynote
